About this statement

Each year we review your escrow account to make sure there will be enough money to pay your property taxes and homeowners insurance, while keeping the cushion allowed by federal law (no more than one-sixth of the year's projected disbursements).

Your account has a surplus. Because the surplus is \$50.00 or more, a refund check for the full surplus will be mailed to you within 30 days of the date of this statement. If your loan becomes past due before the refund is issued, the surplus may be kept in your escrow account instead.

Your new monthly payment begins with the payment due November 1, 2026. If you pay automatically through your bank's bill-pay service, please update the amount.
