Original correspondence

Hello,

I'm working on our household budget for next year and would like to see exactly where we stand on the mortgage. Could you please send me a current amortization schedule for my loan, number 0099000002? I'm mainly looking for the remaining payments and how each one is split between principal and interest.

The property is 1847 Larkspur Lane, Westfield, NJ 07090. An emailed copy is fine; there's no need to mail a paper one.

Thank you for your help.

Best regards,
Marcus Delgado

Dear Marcus J. Delgado,

Thank you for contacting Northstar Residential Servicing. We received your request on September 18, 2026 for a current amortization schedule for your mortgage loan ending in 0002.

As requested, the amortization schedule for loan 0099000002 is attached. It lists your 283 remaining scheduled monthly payments, beginning with the payment due October 1, 2026, and shows how each regular principal and interest payment of \$1,534.85 is applied at your fixed note rate of 4.250%. If each payment is made as scheduled, your loan will be paid in full with the payment due April 1, 2050.

Please keep in mind that the schedule reflects principal and interest only. It does not include escrow deposits for property taxes or homeowners insurance, and it is not a payoff statement. If you need a payoff quote or have questions about your escrow account, please reply to this email or call Customer Care at (800) 555-0142, Monday through Friday, 8:00 a.m. to 8:00 p.m. Eastern Time.

Thank you for choosing Northstar Residential Servicing.

Sincerely,
Customer Correspondence Team

About this schedule

This schedule shows the remaining scheduled monthly principal and interest payments on the loan identified above, beginning with the next payment due. It assumes each payment is received in full on its due date and that no additional principal payments are made.

Amounts shown are principal and interest only. Escrow deposits for property taxes and homeowners insurance, optional products, and any fees are not included, so your total monthly payment may be higher than the amount shown here.

Interest is calculated monthly at the note rate on the unpaid principal balance and rounded to the nearest cent. The final payment is adjusted so that the loan is paid in full.

This schedule is provided for information only. It is not a payoff statement and should not be used to pay off the loan. To request a payoff quote, contact Customer Care.
