Hello,

We bought our first home at 418 Hawthorne Ridge Road in April, and I just received the 2026 fourth-quarter real estate tax bill from Wrenfield Township. The installment is \$2,350.00 and it is due October 30, 2026.

My understanding is that property taxes are paid from the escrow account on my mortgage, but this is the first tax bill since closing (the title company paid the third-quarter installment), so I want to be sure. Could you confirm that you have received this bill and that it will be paid from escrow before the due date? I've attached a copy of the bill.

If I need to pay it myself, please let me know soon so it isn't late.

Thank you,
Priya Raman

Dear Priya S. Raman,

Thank you for contacting Harbor Point Mortgage Services. We received your email on September 19, 2026 about the 2026 fourth-quarter real estate tax bill for the property that secures your mortgage loan ending in 0003.

We have your bill. Our records show that we received the Wrenfield Township Tax Collector's bill for \$2,350.00 on September 18, 2026. Our Tax Team has also reviewed the bill against the tax information on your escrow account and confirmed the payment schedule.

The installment is scheduled to be paid from your escrow account on October 27, 2026, before the October 30, 2026 due date. Please note that it has not been paid yet: this letter confirms the scheduled payment only. To avoid paying the bill twice, please do not pay this installment yourself.

After the payment is sent, it will appear as a tax disbursement in the escrow activity on your next monthly mortgage statement and on your annual escrow account statement. The Wrenfield Township Tax Collector's records may take a few business days to show the payment.

If you have questions about this bill or your escrow account, please reply to this email or call Customer Care at (888) 555-0187, Monday through Friday, 8:30 a.m. to 7:00 p.m. Eastern Time.

Thank you for choosing Harbor Point Mortgage Services.

Sincerely,
Customer Care Team
