### Findings

The Bankruptcy Team reviewed the court docket for Chapter 13 case No. 24-10382 (United States Bankruptcy Court for the District of Brandywine). The court entered an order dismissing the case on July 14, 2026 (Docket No. 88), on the Chapter 13 Trustee's motion for failure to make plan payments. No order of discharge was entered.

The "discharged" bankruptcy marker on this loan was set by the August 3, 2026 bankruptcy data import and is incorrect. The servicing bankruptcy status has been corrected to "dismissed without discharge", effective July 14, 2026.

The borrower is represented by Monica A. Ferrante of Ferrante & Hale, LLC under a signed authorization dated September 18, 2026. Communication about this loan must go to counsel only; do not contact the borrower directly.

Not determined in this review: how the account is reported to the consumer reporting agencies. The credit reporting dispute and the written response to counsel are referred to Compliance (credit reporting disputes).
